We address sustainability & CSR challenges

Develop energy-efficient and eco-designed solutions, leveraging digital technologies • Lead innovation for energy transition in rail and beyond • Use renewable energy in our factories to decrease carbon footprint

Position Health & Safety as utmost priority for all, targeting Zero Severe Accidents • Cultivate Inclusion as a key Alstom value focusing on gender and cultural diversity

Support local socio-economic development where we are present • Develop corporate citizenship through community investment & Alstom Foundation projects

Deploy sustainable sourcing as the cornerstone of our value chain • Achieve the highest standards of integrity

The acquisition of Bombardier Transportation is a unique opportunity for Alstom to strengthen its global position on the booming mobility market. It enables us to improve our global reach and our ability to respond to the increasing need for sustainable mobility.
